PLOT PLANS – ENGINEERED PLANS

Two copies of plot and/or engineered plans are required to be attached to this application in order that the Utility may evaluate the application and estimate the cost of providing services. Plot plans can be pencil sketched but engineering plans when required must bear the stamp of a Nevada Licensed Engineer.

Plot Plans: Shall be to scale and at a minimum include the following:

1. Premises size, shape and if applicable, lot and block designation.
2. Streets, alleys and right-of-ways adjoining premises.
3. Proposed points of connection for service. Respective line sizes to include estimated depths.
4. Approximate location and size of structures to be served.
5. Location of customer’s sewer clean-out(s) and water service valves.

Engineered Plans: Plans and specifications may be required for onsite and offsite building. When in the opinion of the Utility water and sewer services projected may significantly impact the operations of the Utility and/or the applicant’s intended use of services would include equipment or operations which may be hazardous to the Utility’s operation or its customers, specific plans may be requested.

This application is merely a written inquiry regarding a new or additional service, and the submittal does not bind the applicant to proceed nor does the acceptance of the application require the Utility to install the service.

The purpose of the application is to provide the Utility with information in order to provide the applicant with approximate costs and conditions regarding the requested service. This application and subsequent service is subject to all local ordinances (available at the Utility Office and online at www.tonopahnevada.com), laws and regulations of local, State and/or Federal agencies. Within 30 calendar days of receipt of an application for New or Additional Service for up to four (4) ERU’s and within 60 calendar days of receipt of an application for New or Additional Services for more than four (4) ERU’s, the Utility shall provide the applicant with a report containing: estimated cost, a schedule of payment of costs and charges, a schedule for installation of services, a listing of conditions and compliance requirements, pursuant to Town of Tonopah - Tonopah Water, Sewer and Reclaimed Water Regulations §6.9.1 - 6.9.2.
