**PLOT PLANS OR ENGINEERED PLANS**

Two copies of plot or engineered plans are required and must be attached to this application, in order for the Utility to evaluate the application and estimate the cost of providing services. Plot plans may be pencil sketched but engineering plans when required must bear the stamp of a Nevada Licensed Engineer.

Plot Plans shall be to scale and at a minimum include the following:

1. Premises size, shape, and if applicable lot and block designation.
2. Streets, alleys, and right-of-way's adjoining premises.
3. Proposed points of connection for service. Respective line sizes to include estimated depth.
4. Approximate location and size of structure(s) to be served.
5. Location of customer's sewer clean-out(s) and water service valves.

**Engineered Plans:** Plans and specifications may be required for onsite and offsite building. When in the opinion of the Utility water and sewer services projected may significantly impact the operations of the Utility and/or the applicant's intended use of services would include equipment or operations which may be hazardous to the Utility's operation or its customers, specific plans may be requested.

The purpose of this application is to provide the Utility with information in order to determine the approximate costs and conditions regarding the requested service. This application and subsequent service is subject to all local ordinances (available at the Utility Office and online at [www.tonopahnevada.com](http://www.tonopahnevada.com)), laws and regulations or local, State and/or Federal agencies.

Within Thirty (30) calendar days of receipt of an application for new, additional or change in service for up to four (4) ERU's or within 60 calendar days of receipt for more than four (4) ERU's, the Utility shall provide the applicant with a report containing: estimated cost, a schedule of payment of costs and charges, a schedule for installation of services, and a listing of conditions and compliance requirements, pursuant to Town of Tonopah – Tonopah Public Utilities Water, Sewer and Reclaimed Water Regulations §6.9.1 – 6.9.2.
