1. **Public Comment**

Clerk Grigory:

We want to thank the town of Tonopah for always supporting us in so many ways. But tonight, I want to focus on the room tax and how it is helping our little organization and the 4th of July celebration seen out there.

I had the privilege of meeting a few families on the 4th and they sure blessed me. I had the honor of meeting Magdalena. She and her little family of four decided to look online, Facebook specifically, and find a small town in the west that had a Fourth of July celebration. They found Tonopah. They had been traveling all over America and settled here for three days over the fourth. They are from France. They had a splendid time and did all the stuff. Even winning prizes for swimming and eating watermelon and trying "American BBQ". They couldn't say enough about our little town and the celebration. I also met Metta, she and her small family of four are from Denmark. They were a little more reserved, but they also did everything. They were traveling across America and also went online to find a small town Fourth of July celebration and found Tonopah. They expressed their joy at making that choice too. I also met a family from Arizona and Las Vegas, a gentleman Texas, and even a gentleman from Australia.

I am not tooting our horn but really Tonopah's. Tonopah is getting well known out there so first we thank you for your hard work and financial support and second, we thank everyone who supports us because we could not do this without the general support of Tonopah, the locals, the businesses and you the town council.

We look forward to next year.
